

July Newsletter

Dear Parents and Carers

Welcome to our end of year newsletter. As we reflect upon the year, we are delighted to celebrate the many accomplishments, experiences and special moments shared by our children. From exciting learning opportunities and educational visits to sporting events and performances, our children have continued to demonstrate a love of learning, even through a heatwave! This newsletter provides a snapshot of the activities that have taken place throughout the term. We hope you enjoy it as we close the academic year 2025/26.

We were delighted to welcome Paralympian, Sean Rose, to our school for an inspiring day. Sean shared his remarkable sporting journey with the children, speaking about the importance of determination, resilience and believing in yourself. Children had the opportunity to take place in active workshops with Sean and hear about the hard work needed to compete at an elite level. The visit was enjoyed by all, and left a lasting impression upon everyone. We would like to thank Sean for visiting our school and for inspiring the next generation.

Year 6 got involved in the thrills and spills of their adventures at Caythorpe Court once again this year, as part of our off site residential activity offer. Some tired faces reflected the fun that they had during their stay and we heard all about those who conquered some adventurous activities such as abseiling, canoeing and 'all aboard' amongst other things. Year 6 returned full of tales about how 'all aboard' required great communication and teamwork as children climbed to the top of a very tall pole on increasingly small platforms to the top. The children described how their 'passport to the world' activity was an orienteering task that needed careful thought and collaboration between teams to collect all important flags from around the Caythorpe site. However....the most talked about activity was the marshmallows around the campfire and the amazing food choices!

Our NSPCC assemblies around the theme of 'Speak out, Stay safe' supported our well-being curriculum. It encouraged the children to think about safe and healthy relationships and what these might look like, compared with those they might find worrying. The NSPCC visitors worked further with children in Years 5 and 6 to hold workshops around trusted adults, so that we could provide important messages to them about adults they may go to if they have concerns. Posters have been displayed around the school to support these key messages.

One of our Queen Emma parents was kind enough to work with children in our school to design comic strip stories that would support children in two ways. We know that reluctant readers sometimes readily engage with the less formal comic book approach, so Russ Daff was there to provide an insight into the world of comic books and what they can offer for those who might not engage with reading ordinarily. In addition, with Years 5 and 6, he worked together with them on designing their own characters and books along this theme. This was aimed at supporting transitions and managing emotions, through words. Here you are able to see the children at work. Thank you to Russ for providing this fantastic experience for our children.

Thanks to our wonderful PSFA, we were all invited to be part of our annual family picnic that was another great success. The field was a place of community and fun as those who joined us, spread their picnic out and enjoyed the atmosphere of families coming together with some fun filled events. For those who decided to indulge, there was an ice cream van at the ready and the raffle and face painting was another popular activity. All this was in the name of enjoyment but also raised money for our school as an additional bonus. Thank you for supporting this and to the PSFA who organised the event.

It is of course time to bid farewell to our wonderful Year 6 cohort of children, who take flight to life in secondary school. They take with them many happy memories, valuable lessons and lasting friendships. Over the years, they have grown in confidence, developed new skills and faced challenges with determination and resilience. Whilst it is sad to say goodbye, this marks the beginning of an exciting new chapter in their lives. We are incredibly proud of all they have achieved and wish them every success as they move on, embracing the opportunities that lie ahead.

Not only do we say goodbye to Year 6, but also to some staff who have been familiar faces at Queen Emma for a long time. Mrs Hart will be taking retirement at the end of the term, having taught many families in our school and often those who are siblings. Mrs Hart is known for her caring manner and her approachable nature, but it is now time to put her feet up. However, she has told us that she loves Queen Emma so much that she will continue to be involved in other ways – volunteering for trips and visits, continuing to support the PSFA and maybe even the odd day of teaching here and there. We hope that she makes enough time to relax!

Mrs Curdy (formerly Miss Strappelli) has also decided to take a break from teaching to raise her young family. Mrs Curdy is currently on maternity leave and will be leaving Queen Emma at the end of this term. In addition, Mrs Symonds, who works in Cubs Room and after school club, will be departing to take on a new position that is much closer to her home. She has seen many children through the earliest parts of their education and has provided an excellent balance of care and education. Our valued Site Officer, Mr Jenkins is also going to be taking it much easier as he retires at the end of this term. He has kept our school well cleaned and managed over many years and we will miss his friendly, thoughtful nature. We wish all our staff leavers the very best for the future.

Finally, on behalf of all of us at Queen Emma, thank you for your support throughout this year and for helping us to get the best from your children, in partnership. Please note that school re-opens for all children on **THURSDAY 3RD SEPTEMBER FOR CHILDREN IN YEARS 1 TO 6**. We look forward to welcoming everyone back and have a safe and enjoyable summer.

Yours sincerely

Sarah Jarman

Executive Headteacher

Class Move-Up Information – 2026/2027

We are pleased to provide you with information that tells you the teaching arrangements for the academic year 2026/2027.

Reception	Owl Class		Mrs Smith
Year 1	Dolphin Class	Current Owl Class	Mrs Koster (Monday, Tuesday) Miss Free (Wednesday, Thursday, Friday)
Year 2	Penguin Class	Current Dolphin Class	Mrs Wilson
Year 3	Macaw Class	Year 2 have been mixed to create 2 new classes – children have a letter which details the class they will be joining.	Mrs Prosser-Betts
	Toucan Class		Mrs Turnbull-Jackson (Monday, Tuesday, Wednesday, Thursday) Mrs Hemmings (Friday)
Year 4	Falcon Class	Current Macaw Class	Ms Halliwell (Monday, Tuesday, Wednesday) Mrs Turner (Thursday, Friday)
	Kestrel Class	Current Toucan Class	Mr Ryan
Year 5	Giraffe Class	Year 4 have been mixed to create 2 new classes – children have a letter which details the class they will be joining.	Mr Scarr
	Zebra Class		Mr Evans
Year 6	Jaguar Class	Current Zebra Class	Mrs Hyde
	Panther Class	Current Giraffe Class	Mrs Osborne

Summer 2 Winning House Revealed

Congratulations to members of **Hawking House** who earnt the most house points this half term. House points are awarded to pupils who are demonstrating our school rules and the use of the 7 habits in and around school.

We hope members of Newton House enjoyed their non-school uniform day on Friday 17th July. Congratulations to everyone who earnt house points this half term. Keep up the amazing work.

Hawking House = 1483

Newton House = 1389

Darwin House = 1386

Franklin House = 1383

Nursery and Reception

Cubs

This half term in Cubs, our topics were Dinosaurs and Aliens Love Underpants. We had lots of fun using toy dinosaurs dipped in paint to create dinosaur footprints and we even designed our own imaginative aliens in colourful underpants! We spent time preparing for our transition in to Foxes Class, helping the children feel confident and excited about the year ahead. To celebrate the end of a wonderful year, we enjoyed a fantastic party with plenty of dancing and delicious party food. We are so proud of all that the children have achieved and wish them every success and happiness as they begin their next chapter.

Foxes

This term in Foxes we have enjoyed looking at the traditional tales of 'The Three Billy Goats Gruff' and the Three Little Pigs'. We thought about the differences in size of characters and the weight and strength of differing materials in the building of our own little pig houses. We have learnt new vocabulary supporting these topics – first, second, third, big, small, medium sized, heavy, light, strong and weak. We have also discussed the properties of water and the children loved predicting and testing which objects would float or sink. We created shiny rainbow fish with sequins and shiny paper and enjoyed many practical experiences in the learning of ordering written numerals from 0-10 on boats and fish. As we graduate from Foxes and break up for the summer holidays, we thank all our Foxes families for their support and fun over the year. We wish you a lovely break and will miss you all.

Owl

This half term, we have been on our school trip to Boydell's Farm. Whilst at the farm we saw cows, chicks, goats, pigs, goose, alpacas, horses and lots more! We even had a chance to milk a cow and feed a baby lamb with a bottle. The children learnt lots of wonderful facts about the animals and have remembered lots about each animal, for example; pigs only poo in the corners of their enclosure and use it as a toilet! Owl Class also made tie dye t-shirts, had a Father's Day Sports Day, took part in their class assembly before finishing the year with our Teddy Bear's Picnic. We have been very busy but had lots of fun!

Key Stage 1

Dolphin

Year 1 have been learning about how to write a letter after a very special tiger came to tea with us! We have been learning about time and how to tell the time to the hour and half past the hour using our mini clocks. In Science, we have been learning about the parts of the human body and have enjoyed trying new foods and exploring them using our senses. The children have really enjoyed our Woodland explorer sessions and making their own fruit kebabs! They could explain what they liked best about them and what they could do better next time. Year 1 have had a great year and we wish them all the best and hope they have a lovely Summer holiday!

Penguin

This term, Penguin Class enjoyed reading 'Meerkat Mail' and used it as inspiration to create their own characters, write adventure stories and make mini books. In Mathematics, we consolidated our learning on fractions, scales, time, multiplication and division. In Science, we explored plants, their parts and the conditions they need to grow, as well as enjoying an exciting Animal Experience. During Religious Education, we reflected on the theme of gratitude and the things we are thankful for. It has been a busy and rewarding half term, we are so proud of the children and can't wait to see them shine in Year 3!

Polar Bear

Year 2 have loved exploring the story 'Meerkat Mail' in English, learning about meerkats and their African habitat. Inspired by the text, the children wrote their own versions of the story, featuring different animal characters and settings. A particular highlight was our Animal Experience Day, where the children had the opportunity to meet and handle a range of fascinating animals, including a python, a bearded dragon and a meerkat. In Mathematics, the children developed their understanding of time, as well as learning to give and follow directions using positional language and turns. In PSHCE, we explored the important role of medicines, discussing how they help us, the risks associated with them, how they are administered, and how they work to keep us healthy.

Middle Years

Macaw

We have had another busy term in Macaw Class, learning all about plants. The children loved their visit to Wandlebury and all the wonderful activities they were able to experience. In English, they have been writing poetry and also worked amazingly in groups to do some performance poetry. In art, the children have been experimenting with secondary and tertiary colours and learning how to use black and white to create shades and tints.

Toucan

What an incredible final term we have had together! All the children thoroughly enjoyed our trip to Wandlebury, where they investigated minibeast habitats and classified plants through a range of engaging activities. A particular highlight was finding newts while pond dipping, although many of the children were convinced that we had caught a family of axolotls! The children coped amazingly well during the record-breaking heatwave and enjoyed a water fight or two to cool down. In mathematics, they enjoyed a unit on measurement, learning about mass, capacity and volume. I hope you have a wonderful summer break.

Falcon

Falcon Class enjoyed learning about the Golden Age of Islam in our History topic. They found out lots of information about the advances in medicine and astrology. They also compared Baghdad with London at the same time. In Design and Technology, we have been tasting, then making flat breads and topping them with salad, hummus and cheese. In Mathematics, we have been working on division with remainders and in English we wrote our own stories from another culture. In Science we have been working on classification as you can see from our photo! Falcon Class are certainly ready for Year 5!

Kestrel

Kestrel Class have had a very busy half term! We enjoyed performing our Class Assembly to parents and carers and Key Stage 2. In English, we have written information texts about the city of Baghdad and worked on a story from another culture. In Mathematics, we have worked on naming and measuring angles and converting 12 and 24 hour time. We have learnt about animal habitats in Science. In Physical Education, we have been developing skills in basketball and rounders. We have made animations in Computing and continued to learn to play the recorder in Music lessons.

Giraffe

Giraffe Class have had an excellent final term in Year 5. First and foremost, they have been working incredibly hard on learning their lines, songs and dances for our production of 'What a Knight!'. When not rehearsing, we have loved our unit of persuasive writing. It turns out Giraffes can be very persuasive when they want extra breaktime! World Cup fever has hit the class and a big part of our morning routine is writing down the scores on the chart and checking who is still in the sweepstake. Finally, we have been looking at Keyna in Geography and have learnt lots about the country and their main tourist attractions.

Zebra

We are coming to the end of our final half term in Year 5 and it's been another very busy one. Looking back there are so many highlights! Swimming lessons, which have been great fun. We made scones as part of our Design and Technology topic on Seasonal food and everyone agreed they were delicious! We were in a comic Jam when Mr Daff, a local artist came to do an artist's workshop with us. We also had an inspirational visit from the Paralympian Sean Rose, but our highlight was our amazing Year 5 and 6 production of 'What A Knight' - it was brilliant! As we come to the end of our year in Zebra Class we are all very proud of the amazing progress we have made in Year 5.

Jaguar

We've taken the many well deserved opportunities to enjoy ourselves to celebrate the end of Year 6! It's been a fun and busy time; getting stuck into PGL, the Later Years Performance amongst others. We look forward to sharing our time at Queen Emma with parents and say goodbye at our Leaver's Assembly.

Panther

We took some time this summer term to practise, prepare and then perform two shows. Parents who were able to join us for the events, witnessed confidence in the presentations and drama in the dialogue. Sharing our UKS2 performance with the Year 5's was a wonderful opportunity to show them Year 6 expectations and attitudes. Our own leavers' assembly highlighted our dramatic growth throughout our time at Queen Emma. Well done to all for a fantastic end to an amazing year!

House Winners 2025-2026

It has been another wonderful year at Queen Emma, with house point totals reaching into the thousands!

We can now reveal that across the year **Hawking House** earnt the most house points.

Hawking house captains were presented with our house cup in assembly on Monday morning and new yellow ribbons were added to the handles.

Congratulations Hawking House.

Congratulations to everyone who earnt house points across the year for consistently demonstrating our school rules and the use of the 7 habits in and around school. What a wonderful school community we have!

House Point Totals 2025 - 2026

Hawking House = 7601

Newton House = 7555

Franklin House = 7348

Darwin House = 7236

Rounders

Year 5 and 6 students were chosen to participate in a county-wide rounders match held at Coleridge. They were an incredible team: working together; sharing scoring successes; and powering through when decisions were questionable. We ended a solid 4th overall, something we are very proud of. Well done Queen Emma!

Staying Safe

Online

In The Summer Holidays

advice for parents and carers – taken from the UK Safer Internet Centre

Children and young people across the UK are getting ready to have more free time to spend with friends and family as the summer holidays get into full swing.

For many young people this time will be spent using the internet to keep in touch with school friends, catch up with the latest apps and online trends, and play their favourite games.

In this blog we look at the ways in which parents and carers can help keep their children safe as they start to spend more time online.

Sit down together

The summer holidays are a great chance to sit down with your children and find out about the things they like to do online. Together you can visit their favourite sites and join in with their favourite games. This is a great way to stay up to date with their online lives and show them that you're interested in what they are doing.

The holidays are also a good opportunity to have positive conversations about the internet, so if something ever does upset your child online they would feel more confident in confiding in you. Sometimes young people may find it difficult, or may not want to speak to an adult about their online lives. It's important to reassure them that no matter what the issue may be, you are there to listen without judgement, and help them without confiscating their devices or punishing them.

Our [conversation starters](#) are a great tool to help encourage an open and honest dialogue with your child.

Become an expert

Although it can sometimes feel like young people are the experts when it comes to different apps and games, it's important to remember that as an adult you are the expert in keeping them safe.

To learn more about the [apps, games and services children are using](#) you can spend some time on them, familiarise yourself with their [reporting and blocking features](#) and ensure that you have the knowledge to be able to help them if they face a problem over the summer holidays or in the future.

Our recent blog for parents and carers '[but everyone else is playing it!](#)' looks at how to decide what games and apps are suitable for children and young people.

Find fun things to do together online

As you and your children will be spending more time together, why not find some fun and engaging ways to use technology and talk about keeping safe:

Read [Digiduck's Big Decision](#) with your children aged 3 – 7, this story follows the lovable Digiduck as he makes some tough decision about how to be a good friend online

Have [an adventure with Kara, Winston and the SMART Crew](#) as they navigate the online world, and help them to make SMART online decisions

Watch the [Childnet Film Competition winning films](#), these have been made by young people across the country and look at issues such as digital footprints, positive comments and the ways in which you can connect respect.

Spend some time on [BBC Own It](#): the website for 7-11 year olds has real-life stories, advice from experts, fun quizzes, and videos with CBBC presenters, celebs, and star vloggers

Get creative: Look up recipes and ways to be creative online together and replicate this offline

Create your own vlogs or blogs to chronicle the fun things that you did over summer 2018!

Take time to do a privacy check up

During the summer holidays, young people may want to keep in touch with their friends through social networking sites or games. It's a good time to ask them about what sites they use, and do a privacy check-up.

Encourage them to use the privacy tools on the services they use, so that the content they post is only available to people they know and trust in real life.

To help set these up, the UK Safer Internet Centre has a [guide to the privacy settings of different sites](#). You can also download the UK Safer Internet Centre's [safety checklists](#) for popular sites such as Instagram, Snapchat and Facebook.

Have a conversation about sharing holiday pictures

Some children may want to share photos and videos online of what they are getting up to in their summer holidays. Talk to them about what types of photos are appropriate to share, and who they are okay to share with. [Photos can hold clues that give away personal information](#). For example, when sharing a selfie, are there any landmarks or street signs that give away your location?

This is true for [photos you might share of your children too!](#) It's always worth asking children if they are happy with an image you want to share online. We have written some guidance for parents looking at 'sharenting' and the impact of sharing online.

Make a family agreement

A [family agreement](#) is a great way to start a conversation with your whole family about how you all use the internet and discuss together how to behave in a positive way when online at home, at school or at a friend's house.

The agreement involves generating promises, these are positive statements about how your family want to look after each other online and how you should treat others online. The summer can be one of the best times to sit down as a family and agree these promises together. We have [created some handy guidance](#) to help you put the family agreement into practice.

And most importantly: enjoy the summer holidays!

PSFA Summer Newsletter

Thank you to everyone who came along to the Summer Picnic, especially the fantastic volunteers who made it all possible. We are delighted to announce that we raised more than £2500!

Congratulations to Year 6 who won the bake sale competition this year to raise the most money. They chose to spend their prize money on sweet treats from Toni's Ices at their leavers' party. Here are the totals raised:

 Year 6 – £337	Year 5 – £306	Year 4 – £297
Year 3 – £215	Year 2 – £170	Reception/Year 1 – £261

This term the PSFA has helped fund the Y6 leavers' books and party, subsidised coach trips, paid for the Leader in Me programme subscription to support the ethos of the school and purchased prizes and craft resources for the summer picnic.

It has been a quite year for the new PSFA team, here are a few of the successes that we are proud of:

- 1. Increased range and frequency of fundraising activities e.g. ice-lolly sales, crafternoons and Easter stalls**
- 2. Improved communication with class reps to share what is happening with the school community**
- 3. An impressive amount of money raised to help provide resources and experiences for all our children – more than £10,000 in total!**

The out-going Treasurer, Zoe, has shown epic commitment and energy to make PSFA events happen this year and she will be greatly missed next year.

The good news is that the committee is growing and we look forward to introducing new members to you after the AGM (which everyone is invited to on Monday 20th July at 2.15pm...there will be cake!)

Thank you for everyone's help and support this year, we look forward to more fundraising fun next year!

School Uniform

Our children are doing so well with following uniform expectations at the moment, so let's keep up the efforts. We are aware that towards the end of the year, some families can tend to veer away from uniform expectations, however please be reassured that the expectation remain in place for all children.

Grey skirt, pinafore, trousers or shorts

Blue and white checked summer dress

Royal blue sweatshirt or cardigan

Pale blue polo shirt

Black shoes or black trainers

White, black or grey socks / tights

Leggings may be worn instead of tights, but not instead of trousers

PE Kit

Children need plain black shorts, a white t-shirt and plimsolls/trainers. Depending on the weather, children will also need a tracksuit and trainers for outdoor games lessons. Children will continue to arrive in their PE kits, when it is their PE day.

Jewellery

Jewellery may not be worn in school. The only exceptions are watches, studs for pierced ears, and cultural or religious adornments, which must be removed during lessons involving physical exercise. If such items cannot be removed the individual is not prepared in an acceptably safe way and cannot continue as is, so must take part in modified activity. The school will not accept responsibility for removing or storing studs. Long hair should be tied back for PE and DT activities.

Reminder

Please be reminded that scooters and cycles **MUST** be dismantled before entering the school grounds, by both **adults and children**. Please also be reminded that the large vehicle gate at the front of the school is not suitable for pedestrians and cyclists to use. Please use the smaller gate to access the site.

Contact Details

If you have changed your contact details, please let the office staff know so that these can be amended on our system.

Parking

Please ensure that you continue to think about our children and our community by parking considerately. We liaise regularly with the parking control team and notify them of any concerns we might have. It is not acceptable to park on the zig zag lines or to use the entrance to the school as a drop off point. This creates a danger for our families and children.

School Meals

If your child is currently in Year 2 and moving into Year 3, they will no longer be eligible for universal free school meals. When they return in September you will need to pay £2.75 if your child chooses to have a school lunch.

Please fill out the simple online application form on the link below, where you will receive a response to your eligibility status. If you are eligible for FSM your child's school will be informed within 3 days. If you have any queries regarding this information, please call the Education Welfare Benefits team on 01223 703 200 or email ewb.fsm@cambridgeshire.gov.uk

www.cambridgeshire.gov.uk/freeschoolmeals

We will return to school on Week 3 of the current school dinner menu. Please remember to book your meals using Swift Kitchen before the 8.30am order deadline, either through the app or at

<https://app.swiftkitchen.co.uk>

We have been asked to pass the following information onto you by the DfE that you might find useful....

Great British Summer Savings

Rising prices can make life's little treats harder to afford, especially during the school holidays when costs build up for families. This Government is determined to help, and that is why last month the Chancellor announced the Great British Summer Savings scheme.

From 25 June to 1 September 2026, the Government is temporarily cutting VAT from 20% to 5% on children's meals in restaurants, children and family tickets to cinemas, theatres, concerts and exhibitions, and admission to a wide range of attractions. Combined with free bus travel during August for children aged 5 to 15 in England, families and young people will be able to enjoy experiences that make summer special, including visits to the kinds of cultural and educational attractions that enrich children's lives outside the classroom.

This forms part of a broader effort by the Government to ease financial pressures on families. From ending the two-child limit and expanding free school meals, to rolling out free breakfast clubs and delivering 30 hours of free childcare, this Government is taking action to put more money back into parents' pockets and give every child the best possible start in life.

As part of this campaign, we have launched an attraction finder website which allows families to type in their postcode and find participating venues near them to make the most of summer savings. To use the attraction finder, please visit <https://summersavings.gov.uk>.

Morrisons and Kellogg's have announced the return of their school holiday 'Breakfast Clubs', offering free meals to families across the UK to help ease the financial pressure over the summer holidays. As schools close for the summer holidays, many parents face a financial pinch, with new research from Morrisons showing that more than half (54%) of parents feel the strain during the long summer period. In fact, week three of the school holidays is the critical tipping point where the financial impact is most acutely felt by households.

Almost half (48%) of parents also confessed they have been forced to skip meals entirely just to make ends meet and ensure their child does not go without – with breakfast being the number one thing cut from the menu. Families visiting their local Morrisons Café throughout the summer holidays can enjoy a free 'Kellogg's Breakfast', which includes a bowl of cereal and a portion of fruit. The best part, it's not just for kids, adults get to eat completely free too. Both children and adults can choose from much-loved favourites Corn Flakes or Rice Krispies, topped with their choice of dairy or non-dairy milk and a free apple or banana. The summer holiday offer will be available from 29th June to 6th September across all Morrisons Cafes nationwide.
