

December Newsletter

Dear Parents and Carers

As we hurtle towards Christmas, it is time to reflect upon the wide range of opportunities that have been open to our children and families this half term. We have continued to support children in aiming high to try and achieve our whole school WIG (wildly important goal) that was set in September. This goal was for children to read at least 5 times per week at home. We set a target for 80% of children to achieve this, but we managed only 58%. Reading is a fundamental skill that needs daily practice in order for children to access all other areas of the curriculum, so as a valued partner in educating your child/ren, your help with this has been appreciated, but as you can see, there is more to do. Time constraints due to the busy lives we lead can often be a reason to leave hearing children read to the bottom of our 'to do' lists. However, even sparing 10 minutes a day to hear your child read, can be really beneficial.

Following a hibernation period, we are looking forward to welcoming 2 new pets to Queen Emma. Our new tortoises, who are called Leo and Teddy, will be joining us in the Spring and will be based in Dolphin Class. We are used to seeing our mentor dog, Ozzy, roaming around the school now and our tortoises will provide a new and slower dynamic! Children will be able to learn how to care for the tortoises and will understand their needs, appreciating that it takes commitment, respect and compassion to think about the necessities of others. We look forward to welcoming them into our school.

The annual cross country event took place for children in Years 3, 5 and 6 once again this term. The children selected were required to run the 1500 metre long distance track, alongside competitors from other local schools, with their peers and staff cheering them on from the sidelines. This was no easy feat, with children tackling the uphill stretch with grit and determination. Each year group completed their run, ending with a smile on their faces, and I was amazed to see that some of them were barely out of breath! It was a terrific effort from our children, who upheld our school values throughout the entire morning.

We are pleased to inform you that the swimming pool at Queen Edith, used by the Queen Emma children in Years 5 and 6 during the Summer term, will be back up and running this academic year. The cost of maintaining and heating the pool for lessons is only increasing. We will therefore be requesting voluntary donations from families when swimming lessons are resumed to help us meet these costs. A block of lessons (usually 6-7 weeks) will be £10 per child with a maximum cap of £20 per family. Having researched local offers, we feel this is reasonable. More information will be sent to you about this, if your child is due to swim in the Summer term.

The Queen Emma Christmas Fayre was another wonderful event, organised by our remarkable volunteers and staff from the PSFA. It was clear to see how much enjoyment was gleaned from the activities on offer by the children and families who were able to attend, so their efforts were truly appreciated. Thank you for supporting this event. As you may know, the PSFA are losing members at the end of the year and will require positions to be filled in order to remain

sustainable. Please let the school office know if you would be interested in joining a brilliant part of our school and they will be happy to pass on your details to the relevant person.

Our children delighted their audiences recently, as Key Stage 1 children, Reception children and nursery children took to the stage to perform their much anticipated Christmas performances. Children in the nursery brought smiles to the faces of their family members by singing a medley of festive tunes that were accompanied by actions they had learned. Our little Christmas trees and snowflakes joined together to perform a magical dance, that was enjoyed by us all. Those in Reception took a journey around the world to help us think about how Christmas is celebrated in other countries. Their enthusiasm for singing was clear for us all to see as they boarded their sleigh to the North Pole for a wonderful journey to see Father Christmas himself. Children in Key Stage 1 reminded us of how important kindness is at this time of the year. We heard a tale based around our very own caretaker, Mr Jenkins, and how hard he worked to make Christmas special. In return, one particular thoughtful child, decided to repay his good deeds.

Our children performed with the upmost zeal and I hope that anyone who attended, thoroughly enjoyed seeing their child/ren do their very best. Staff at the school worked very hard to ensure that the children did each performance justice, so thank you to all of them for their tireless work.

We hope that you enjoy reading this newsletter and would like to take this opportunity to wish you a peaceful and enjoyable Christmas break with loved ones. Thank you once again for your ongoing support and in playing your part in making Queen Emma a place where children enjoy their learning.

Please note that following the Christmas break, the Spring term starts for children on **Tuesday 7th January 2025**. The school will be closed to pupils on Monday 6th January, due to a training day.

Yours sincerely,

Sarah Jarman
Executive Headteacher

News from the Governing Body

We have had to say goodbye to a few Governors this term, but I am glad to say we have been able to welcome a number of new faces to the Governing Body. Richard Baldwin joins us from AstraZeneca with a wealth of experience in finance. Dr Phil Kirkman is Director of the PhD in Education at Anglia Ruskin University and has many years of experience in secondary education. Marsha Merchant was co-opted onto the Governing Body at our meeting on 2nd December: she is a parent at Queen Edith has wide experience in finance and accountancy. Ana Toste Rego is our new elected Parent Governor for Queen Edith; she has experience in scientific research as well as voluntary work with young children. The breadth of experience of our Governing Body is a tremendous source of strength and I am delighted to have such a strong injection of talent. They all very warmly welcomed.

You will be aware that a combination of financial pressures and a downfall in the birth rate has meant we have had to reduce Queen Emma to one-form entry for this year and next; we hope that the expansion of the city will allow the school to go back to two-form entry and we are keeping a close eye on the developments in our area. Staff have managed the change very successfully but we continue to monitor the impact of the change on all aspects of the children's learning and experience.

In line with the government's drive to raise attendance nationally, the Governors recently approved a new Attendance Policy. Many parents have queries about when they can legitimately take children out of school, when they can't and what the consequences might be if they do. You will have heard many times about the crucial importance of attendance, which includes arriving for school on time, and the serious impact a poor attendance record can have on a child's future prospects. I would encourage you to have a look at the new Attendance Policy, which is posted on the Federation website and where I hope you will find answers to any queries you might have.

[Queens Federation - Management Policies](#)

As the term draws towards its close, on behalf of all the Governing Body I wish you all a Happy Christmas.

Dr Sean Lang
Chair of the Governing Body

Cubs

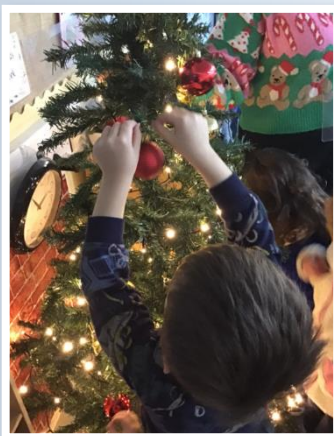

This half term, children in Cubs Room have listened to lots of stories about bears! They particularly enjoyed 'Goldilocks and the Three Bears' and 'We're Going on a Bear Hunt.' Lots of creative materials were used to create bear masks. Porridge oats were added to the tuff tray and Cubs children enjoyed filling and pouring the oats into different sized containers to make porridge for their friends. Cubs staff are very proud that all of the children can retell the story of 'We're Going on a Bear Hunt' with actions too!

Foxes

This half term in Foxes Class we have celebrated the festival of Diwali and made diva lamps using clay. We have also been learning about autumn and looked for signs of it during our Forest School sessions. We have collected crunchy leaves and sticks to make leaf crowns and our own Stick Men following the popular story. We have enjoyed the book 'The Enormous Turnip', re-enacting it using repeated refrains and learning about forces. We have developed our counting up and back skills and putting up appropriate fingers to match. As we have moved towards Christmas we have created lots of decorations and begun to learn to write some letters in our names for our Christmas cards. We had fun Christmas celebrations and we now wish all our families a wonderful Christmas.

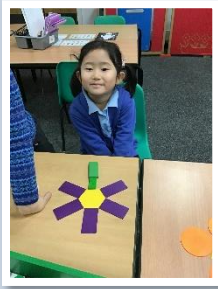

Owl

During December, we have been having lots of Christmas fun. We have been writing our own Christmas cards, decorating the Christmas tree, and making our own advents stars which we are adding to the tree every day in December. The main part of our half term has been learning and preparing for our Christmas Performance 'Christmas around the world'. After all of our hard work, we performed to KS1 and siblings as a dress rehearsal before performing to our parents. The children worked incredibly hard and will never forget all the different celebrations of how people celebrate Christmas around the world. We have even had a naughty elf visiting us from the North Pole, he has been watching over us for three weeks and then is going back to the North Pole to tell Santa how good we have been. We are hoping that Father Christmas is going to put us on the 'nice' list because we have been working so hard!

Dolphin

Dolphin Class have had a busy and fun half term learning about space related. We enjoyed reading the books 'But Martin' and 'Aliens Love Underpants' and these inspired us to write sentences about aliens. During Art, we have developed our drawing skills and especially enjoyed the challenge of drawing a face without taking our pencil off the page, which was modelled on pictures drawn by Paul Klee. In Science, we have learnt about the planets and loved our Wonder Dome visit. In Mathematics, we spent a few weeks learning about shapes and creating pictures and patterns with these. We have also squeezed in the learning of songs and dance routines for our Christmas Production.

Seahorse

We have really enjoyed learning about space and the planets. The Wonder Dome was fabulous and we had a great time travelling through the universe. In English, we had some alien visitors who inspired our writing. In Mathematics, we learnt about 2D and 3D shapes and we have been exploring numbers to 10. In Art, Paul Klee and Pablo Picasso inspired our drawings and we focused hard to draw a face without taking our pencil off the page! Finally, we were all wonderful dancers in our Christmas production of 'Baubles'!

Penguin

Penguin Class have been very busy rehearsing for their production of 'Baubles'. They have worked hard in English to use all the features learnt, to write a fantasy story based on the film 'Once in a Lifetime'. They have enjoyed our 'Up, Up and Away' topic and have written a fact file about The Wright Brothers and created a poster showing the different types of aircraft. In Art, we have been practising our sketching skills and looked in detail at Georgia O'Keeffe and drew our own pictures in the same style. In Science we designed, made, and tested a pet house to see which waterproof materials were suitable for the roof. Another very busy but enjoyable half term!

Polar Bear

This half term in Polar Bear Class, the children have enjoyed exploring a range of materials and their purposes. In Forest School, we used natural dyes such as turmeric and cumin to draw pictures with sticks. During our science sessions, we explored the difference between the properties and purposes of materials, asking the question 'Why is this material suitable for its purpose?'

Macaw

Macaw Class have loved learning all about pre-history and had a fantastic experience when they travelled back in time during their Stone Age day! They have enjoyed writing their own adventure stories based on the book, "Stone Age Boy," and have enjoyed creating their very own cave paintings.

Toucan

Toucan Class have worked incredibly hard this term, they have enjoyed being immersed in the Stone Age. They have written exciting stories based upon 'The Stone Age Boy', used historical sources to investigate life in Pre-history and wrote instructions to catch a Stone Age creature that was destroying our playground!

Falcon

Falcon Class have had a busy half term and have learnt a lot! In Computing we have had some of the engineers from ARM join us with robots to program using the BBC micro bits which they really enjoyed! In Science they have been learning all about sound and have participated in sound experiments. In Mathematics the children have continued to learn their times tables, especially their 3 and 6 times tables. In Design and Technology we have designed and made felt decorations by sewing them and decorating with sequins.

Kestrel

Kestrel Class have had a very busy half term! We have worked hard writing myths based upon our Roman topic. We have also calculated the perimeter of 2D shapes in Mathematics and developed times tables knowledge. In Science, we have found out how sound travels and enjoyed learning about our environment when some ecologists came to visit. We have learnt new sewing skills in Design and Technology. In Physical Education, we have continued to develop dancing skills and practiced passing and dribbling a football.

Giraffe

What another amazing half term it has been in Giraffe Class. Our studies of 'The Skies Above our Eyes' have taken us on a journey into the cosmos and helped us investigate the relationship between the sun, moon and Earth, the phases of the moon and how night, day and the seasons are formed. After studying the space landscape art of Peter Thorpe, we have produced some incredible space scenes. These will be on view in the corridor outside our classroom after Christmas. Our learning culminated in a fantastic 'Wonder dome' experience, where we enjoyed the thrills of space travel from inside an inflatable planetarium. We hope you enjoyed celebrating with us in our class assembly too, we loved performing in front of our friends and families!

Zebra

This half term Zebra Class has enjoyed learning all about Earth and Space! In our Science lessons, we made models to demonstrate our understanding of how the Earth orbits around the Sun and why the Moon appears to change shape in the sky. We loved investigating different time zones and finding out why different parts of the world experience day and night at different times. In English, we used information books and the iPads to research our chosen planet and then we worked hard to write an informative non-chronological report. Once we had published our reports, we enjoyed spending time reading each other's to find out more!

Jaguar

We have managed to power through our first two half terms with great focus and success. This half term we have focused on electricity and circuits in Science, competed in rugby and hockey fixtures during Physical Education, discussed anti-bullying in PSHCE, considered God incarnate during Religious Education and worked on a Crumble controller in Design and Technology. Finally, we were able to enjoy a day out at the cinema to bring to life the guided reading book of Kensuke's Kingdom, and aid our writing for the term. A busy first term, with even more planned in the upcoming terms! In the meantime, the Year 6 team is wishing you and your family a healthy and happy New Year.

Panther

As the topic of World War 2 draws to a close, we can reflect on the information we have learnt. Initially we focused on the day war was announced, then thought about evacuees, the Blitz and soldiers involved in action and what that meant to people. Finally, World War 2 day was the perfect way to end our first topic. We have worked incredibly hard throughout the term, and have truly earned our break. With the New Year around the corner, we have even more planned in the upcoming terms, but for the moment a break to reflect on our progress. A happy and healthy New Year to all Queen Emma families and friends!

Dodgeball

Ten year six students went to Coleridge for a dodgeball competition in December. There were about nine other teams from around Cambridge participating. When we arrived, they had already split the hall into two sections so could show us where we would start. We kept rotating around; as a result, we were always playing different schools. Throughout the tournament, we encouraged each other, discussed techniques and decided who would play or sub in each game. At the end, we went out proud and represented the school honourably.

Winning House

Congratulations to everyone who has earned house points this half term. Hawking House can enjoy their non-school uniform day on Friday 10th January 2025.

Hawking House = 3972

Franklin House = 3896

Newton House = 3765

Darwin House = 3724

Queen Emma Primary School Parents, Staff and Friends Association (PSFA)

The PSFA are a group of parents, staff, and friends of Queen Emma Primary School, focussed on developing a sense of community, organising events and raising funds to enrich our school environment.

Fundraising to benefit the school community

We are delighted to see the new shade sails in the back playground – these were funded with money raised from our events of the past few years, and we are looking forward to seeing the children use these shaded areas in the summer months. Thank you everyone for helping to make our outdoor spaces a lovely space for the children to enjoy!

At present we are fundraising for sensory equipment for the classrooms, as well as for funds to help cover the costs of class trips and experiences. Thank you for your contributions – every little helps!

PSFA events

Bake Sales: Thank you to Year 5 for a fabulous Bake Sale on 8th November. Everyone enjoyed their delicious treats, and the event raised an incredible £238.45. Well done Year 5 and thank you! We look forward to finding out who will win the bake sale competition this year 2024-2025, and best of luck to all! Last year it was the current year 5 who were the winners, and they have had £100 given to help towards the funding of their school trip costs this year.

Second Hand Uniform Sales: Thank you to all those who have donated or purchased second-hand uniform recently. We hope to run more in-person uniform sales at the bake sales next term but, in the meantime, please email us with any requests and we will hope to look out the items for you.

(Suggested donations: school fleece £4, school jumper/cardigan £2.50, trousers/shorts/skirts/dresses £1, polo-shirts 50p)

PSFA Christmas Fayre: A huge thank you to all those who joined us for the Christmas Fayre on 29th November! We were delighted to see so many families at the event and lots of children having such fun! A huge thank you to the many staff and parents who helped by running a stall, setting up before the event, clearing away afterwards or by generously donating items for the fayre. Thank you especially to those who came along to help for the first time. It is very much appreciated, as these events can only run with plenty of help from volunteers. The total profits raised at the event, including also the PSFA festive raffle, came to an incredible £2,585.81 so well done everyone and thank you very much indeed. Our thanks go also to the many local businesses and individuals who gave generously towards our raffle this year. Thank you all!

Reception tea towels: The Reception classes have produced some beautiful designs for their tea towels this year and these are being sold at 3 for £12, or £5 each. There are still plenty remaining, so do get in touch if you would like one, or if you require any extras: queenemmapsfa@gmail.com

Next half term:

PSFA Committee meeting: Mon 13th Jan, 2pm in studio: All are welcome, do come along and find out more.

Year 4 Bake Sale, Fri 24th Jan, 3.15pm in studio: It's Year 4's turn to run the Bake Sale this half term, and we all look forward to buying their treats after school, so thank you in advance, Year 4.

PSFA Discos for Reception to Yr 6, Thurs 6th Feb: Come and enjoy fun with your friends and Disco Dave's music!

Getting involved – more help urgently needed:

Thank you to those who help so willingly with the PSFA events and to many who have given up their time and energy to help this term. We would love to hear from more parents who might now consider getting involved. We need more volunteers to come forward to help, so that future PSFA events can go ahead for the families and children at school. At the end of the Summer Term 2025, there are 3 of our 4 committee members moving away from school, as their children will all be at secondary school. **The PSFA events will not be able to run without more people being willing to join.** So, we would love to hear from you and please do get in touch: queenemmapsfa@gmail.com

Classlist:

Thanks to all those who have joined **Classlist** this term, the communications system which enables Queen Emma parents to communicate across the school community. This is a great way to get in touch with one another, to keep up with what the PSFA is doing, or to post messages and announcements. **Do consider joining or rejoining, as follows....**

1. Go to: <https://www.classlist.com>
2. Click on the Find Your School link
3. A dropdown menu will come up and you will be asked to find the name of your school: Queen Emma Primary
4. You will be asked to register your details.

Once you have submitted your details, you will be moderated by a PSFA administrator (a safety step, to ensure that new members are part of the school). After this you will be able to start contacting other parents via Classlist.

Festive Fundraising:

During this festive season, remember this easy way to raise funds for the school, whilst doing your shopping:

Easyfundraising:

Nearly 3,000 retailers, including Amazon, John Lewis, Aviva, thetrainline, Sainsbury's, Ebay and many more, will donate a percentage of the amount you spend to Queen Emma PSFA to say thank you for shopping with them. You simply have to set up **Easyfundraising** on each device you may shop from:

1. Go to <http://www.easyfundraising.org.uk/causes/queenemmapsfa>
2. Sign up for free and make use of it whenever you shop online!

We send you all our very best wishes for a safe and happy festive season.

With many thanks indeed,

Queen Emma PSFA

Reminder

Please be reminded that scooters and cycles **MUST** be dismounted before entering the school grounds, by both adults and children. We have noticed an increase in the number of cycles that are being propped up against the fences along our pedestrian pathways. This presents a danger to those using the path, particularly young children. Please park cycles in the dedicated spaces, even if you are just dropping off or collecting a child. This will reduce the risk of cycles falling over and potentially injuring passers by.

Parking

Now that the evenings are going to become darker earlier and the weather has turned colder and wetter, please ensure that you continue to think about our children and community by parking considerately. We liaise regularly with the parking control team and notify them of any concerns we might have. It is not acceptable to park on the zig zag lines or to use the entrance to the school as a drop off point. This creates a danger for our families and children

Jewellery

Jewellery may not be worn in school. The only exceptions are watches, studs for pierced ears, and cultural or religious adornments, which must be removed during lessons involving physical exercise. If such items cannot be removed the individual is not prepared in an acceptably safe way and cannot continue as is, so must take part in modified activity. The school will not accept responsibility for removing or storing studs. Long hair should be tied back for PE and DT activities.

School Uniform

Thank you for starting the year so well on this note, the children all look very smart, so let's keep that up.

Grey skirt, pinafore, trousers or shorts

Blue and white checked summer dress

Royal blue sweatshirt or cardigan

Pale blue polo shirt

Black shoes or black trainers

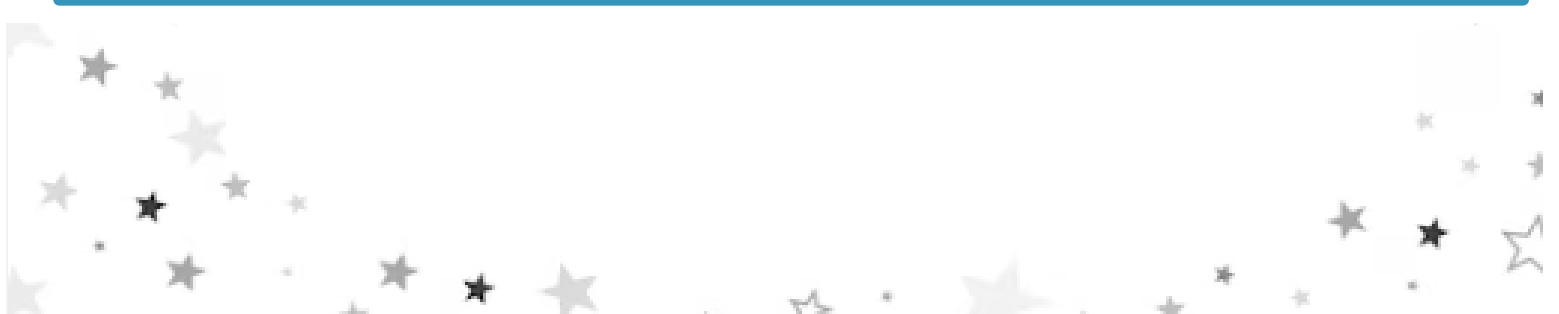

White, black or grey socks / tights

Leggings may be worn instead of tights, but not instead of trousers

No jeans please.

PE Kit

Children need plain black shorts, a white t-shirt and plimsolls/trainers. Depending on the weather, children will also need a tracksuit and trainers for outdoor games lessons. Children will continue to arrive in their PE kits, when it is their PE day.

Could your child be entitled to a **FREE** school meal?

Am I eligible?

You are eligible for this if you are receiving any of:

- Income Support
- Income-based Jobseekers Allowance
- Income-related Employment and Support Allowance Support under Part VI of the Immigration and Asylum Act 1999
- The guaranteed element of State Pension Credit
- Child Tax Credit (unless you're also entitled to Working Tax Credit, and earn no more than £16,190)
- Working Tax Credit run-on (paid for 4 weeks after you stop receiving Working Tax Credit)
- Universal Credit (provided you have an annual net earned income of no more than £7,400)

If in doubt, please fill out the simple online application form at

www.cambridgeshire.gov.uk/freeschoolmeals

where you will receive an instant response as to your eligibility status. If you are eligible for FSM your child's school will be informed within 3 days.

If you have any queries regarding this information, please call the Education Welfare Benefits team on 01223 703200 or email ewb.fsm@cambridgeshire.gov.uk

Or look at the website www.cambridgeshire.gov.uk/freeschoolmeals

School Meals

School meals are now provided by Aspens. Aspens use an online booking and payment system called 'Select'. You will need to order and pay for your child's meals using this system. It is very important that you order your child's school meal before 8.30am every day. School meals can be ordered a number of weeks in advance if you prefer.
