

Year 2 Optional Autumn A Homework
Topic 'Where in the World do I live?'

How many challenges can you complete?

Write a book review. • What was your favourite part? Explain why. • Would you recommend it to a friend?	Practise your number bonds within 10 eg: $7 + 3 = 10$ $9 + 1 = 10$ $4 + 5 = 9$ $6 + 3 = 9$ $4 + 3 = 7$	Research flags of the UK. Draw your favourite flag or design a flag of your own.
Can you find out five facts about the UK? You could visit the library or use the internet to help you.	Write a journey story about either going to the jungle, space or under the sea. Top tip - use powerful verbs to excite your reader!	Can you remember our 3 school rules? Design a poster about how to stay safe at school.
Watch the weather with someone at home. • What do you notice? • Can you pretend to be a weather forecaster?	If 15 is the answer, what is the question? Is there more than one solution? Don't forget subtraction too!	Choose an animal to research. • Where does it live? • Where does it eat? • What type of animal is it?
