

Year 2: Optional Summer B Homework Topic: Journey to the East

Which challenges will you complete?

Write a review about your favourite poem. Practise performing it and share with the class.	Continue to practise your 2, 5 and 10 times tables facts and give yourself speed tests!	Go outside; make up a brand new game that you can play with your friends at school.
Write an adventure story and bring it into school to share with the class.	Use the internet or the library and research facts about China. Share your facts with the class	Design a fact file about life in Beijing, China.
Can you design and make a Chinese flag?	If you know that 2 x 7 = 14, what else do you know?	Research native animals to China. Draw your favourite and write some facts about it.
