

Queen Emma Year 2
Topic Web
Summer 2

Music

Sing a vocal warm up, use the hand signs for la, so, mi, re and do. Compose, notate, play and perform simple rhythm patterns.

Geography

We compare the human and physical features of Cambridge and Beijing.

Design and Technology

We will design, make and evaluate a felt puppet.

Science

We will use our scientific skills when looking at the parts of different plants.

PSHCE: Drug Education

We will find out about medicines, substances that can be harmful and how to handle risky situations.

PE: Games

The children will be developing their knowledge of target games and taking part in team building activities.

Journey to the East - Is the world different in the East?

We will be using our geographic skills to compare and explain the similarities and differences between our local area and Beijing in China.

Computing

Purple Mash - Presenting Ideas.

RE

We will be thinking about and answering our Big Question - 'How do people show that they are thankful?'

English

Fiction - We will be writing our own Adventure Stories based on 'Meerkat Mail'.

We will draw a story map, make up our own characters and settings and then become authors. The children will use exciting adjectives, conjunctions and a range of punctuation.

Non-fiction - We will be writing postcards from Sunny the Meerkat, telling his parents all about his adventures in Beijing!

Maths

- We will find out about position and direction.
- Continue learning about multiplication and division through doubling, halving, quotitive and partitive division.
- We will also explore measure through time, capacity, volume and mass.
