**PSHE:**

Myself and my relationships - family and friends

**Music:**

Instrumental tuition - glockenspiels

**Maths:**

Improving recall of multiplication facts up to and including  $12 \times 12$ .

Multiplication and division of different times tables and learning about the distributive law.

## How do we shape our land?

We will be learning about how the way we use our land has changed over the years in Cambridge. We will also learn about the different purposes for land use and make maps to show these uses.

Please let us know if you have any expertise about this topic that you would like to come in and share.

**English:**

Fiction: A new unit based on *Into the Forest* by Anthony Browne

Non-fiction: Persuasive letters to the council.
