

Year 4 - Summer 1 Homework

Topic 'Across the Atlantic'

Which challenges will you choose to complete?

Research about the Atlantic Ocean. Identify the different marine life that can be found in the waters and any problems that the ocean is facing.	Research animals that live in North America Make a poster about what you find out.	Design and make a vehicle that you could use to travel around in when you explore North America.
Draw a picture of your house and write about the area that you live in.	Make a poster encouraging people to come and live in East Anglia.	Find out about a famous North American sportsperson, scientist or actor/actress and write a biography about them.
Research the national parks in California. Are they all similar? Choose one to draw or paint.	Talk about East Anglia, were your parents born here? Which places do they like the best and why? Do they have any pictures from their childhood in the area of East Anglia they grew up in?	Make a 3D model of the seaside such as Hunstanton. Which types of animals, creatures live by the shore?

Children are expected to complete their weekly reading, spelling and number fact homework. The above challenges are optional.
